Date: June 10, 2024

Dear Patients and Friends,

After much contemplation, I am writing to inform you of my decision to retire from my medical practice, effective July 31, 2024.

It has been a profound privilege and an honor to serve as your physician over the years. Your trust in my care and the relationships we have built have been among the most rewarding aspects of my career. I have treasured the opportunity to be a part of your healthcare journey and am grateful for the confidence you have placed in me.

In preparation for my retirement, I have taken steps to ensure a smooth transition and continuity of care for all my patients. I have been blessed to have highly qualified and compassionate physicians and nurse practitioners who will be happy to take over your care and my professional duties. I am confident you will be in excellent hands. Ali Daftarian, MD, Kelsey Pohler, MD, James T. Gray, MSN, FNP-BC and Holly Wolfe, MSN, FNP-BC will be available to continue your medical care.

Our office staff will be available to assist with any questions or concerns you may have during this transition period. We are committed to making this process as seamless as possible for you. Your medical records will be maintained in accordance with regulatory requirements. If you choose to leave our practice, you may request a transfer of your records to your new provider at any time. Please contact Nikki Gray at (979) 774-1377 for this service.

As I embark on this new chapter of my life, I do so with a heart full of gratitude for the trust and support you have shown me. Thank you for allowing me to be a part of your lives and for the meaningful experiences we have shared.

I wish you continued health and happiness.

Warm regards,

James V. Stonecipher, M.D.
